

Library Committee

VIA University College. The Library. Campus Horsens

The School of Technology and Business has set up a library committee of six members

The head of the library is a born member of the committee as well as its chairman.

The committee consists of:

Two representatives from the trades and industries who are supposed to cover the educational programmes at VIA's School of Technology and Business as broadly as possible and have an interest in the activities of the library.

One representative appointed by the staff representatives of the joint council

One librarian appointed by the library staff

The committee members are appointed for a three-year period by The School of Technology and Business and the library staff jointly

The 6th member is a representative appointed by the students' representative of the joint council DSF. This member is appointed for one year.

The library committee makes budget proposals and determines the purchasing policy of the library within the financial limits set by the board.

Members of the committee:

Kirsten Lindbæk Knudsen, head of the library – chairman

Appointed for the period 1 October 2008 – 31 December 2010

Torben Skaaning – engineer – appointed as representative for the technical area

Vacant – appointed as a representative for the business area

Morten Carter – senior lecturer – appointed by the staff representatives of the joint council

Anne Marie Lind Danielsen – librarian – appointed by the library staff

Appointed for the period 1 October 2008 – 31 December 2009

Mustafa Niazi – student – appointed by the students representative of the joint council DSF

2008.10.01
